JOHN MORRISSEY ACCOUNTANTS, INC. ANNOUNCES RELOCATION OF THEIR BELVIDERE OFFICE

October 11, 2005 – Belvidere, IL - John Morrissey Accountants announces plans to relocate their Belvidere office to 774 Beloit Road. Their Rockford office will remain at the current 5919 Spring Creek Road location. The new Belvidere location will be in the 25,000 square foot Landmark Crossing Retail Center which is currently under construction in Belvidere's growth corridor. This is the first retail center to be built in the West Hills neighborhood, conveniently located near the new Belvidere middle school and the soon-to-be-built high school. It is easily accessible from Beloit Road and Route 20 and is located near the first section of the new West Hills Boulevard. This boulevard will run east and west and parallel Route 20.

The Belvidere offices of John Morrissey Accountants will be located near the east end of the complex, next to Amcore Bank. Completion is slated for late December, 2005, early January, 2006. This facility will provide a complete range of financial services including full accounting services, tax planning and preparation, as well as business financial services. The teams of highly-qualified and talented professionals, at both locations of John Morrissey Accountants, have been providing these services to individuals and companies for more than 30 years.

John Morrissey Accountants is part of The Morrissey Family Businesses, which is a business services organization. Other businesses that fall under this umbrella include Staff Management, Market Dimensions, and the newest addition MPower HRIS Solutions. Further information about The Morrissey Family Businesses can be found at the company's website at www.morrisseyfamily.com.
